

Participants needed!

Do you know how to play the guitar? Join our Guitar Experiment at the MetaMotor Lab!

What You'll Get:

- A unique opportunity to play a fretless guitar
- Help us understand how we learn to play the guitar
- Earn 10 €/hour for your participation

Participation Requirements:

- Basic experience with guitar playing (all skill levels welcome!)
- Age 18 to 50
- Fluent in English
- Predominantly right-handed
- No motor impairments or hand pain
- Normal or corrected-to-normal vision
- Normal hearing
- No neurological or psychiatric history

Experiment Details:

Location: Eye Tracker Room 104, Hector Research Institute of Education Sciences and Psychology, Europastrasse 6, 72072 Tübingen

Duration: One 3-hour session
